WORLD BANK - UKM SHARING SESSION

MALAYSIA ECONOMIC MONITOR - LEVERAGING TRADE AGREEMENTS

SPEAKER: SJAMSU RAHARDJA
SENIOR ECONOMIST
WORLD BANK TRADE & COMPETITIVENESS GLOBAL PRACTICE

9th December 2016 (Friday) | 9.00 am - 12.00 noon
Bilik Mesyuarat Canselori, Aras 6, Bangunan Canselori, UKM Bangi

OBJECTIVES

1. To share the Malaysia Economic Monitor June 2016, Leveraging Trade Agreements which discusses contributions and effects of international trade agreements such as free trade agreements and the Transpacific Economic Partnership Agreement (TPPA) on Malaysia's economy.
2. To explore on how Malaysian academia can play their part in the preparation of the Malaysia Economic Monitor through, inter alia, sharing of research findings and data.

BIODATA

DR SJAMSU RAHARDJA
Senior Economist,
Trade And Competitiveness
World Bank Group

Sjamsu Rahardja, is a senior economist for the World Bank Trade and Competitiveness Unit, and now living in Myanmar, leading the World Bank Group country program on trade facilitation and logistics. He joined the East Asia Pacific unit of the Bank in Washington DC in 2004 before moving to work for the World Bank office in Indonesia. Prior to joining the World Bank, Mr. Rahardja was a visiting fellow at the Peterson Institute for International Economics and the International Food and Policy and Research Institute, both in Washington DC. He also worked for the Institute for Economic and Social Research of the University of Indonesia. His work interests are on international trade, trade logistics, and political economy of trade reforms. He is married to Sondang Sirait-Rahardja and has 2 children.
