UNIVERSITI KEBANGSAAN MALAYSIA

ACADEMIC YEAR  
2023 - 2024

MASTER OF  
MEDICAL SCIENCE  
(COMMUNITY HEALTH)

# MASTER OF MEDICAL SCIENCE (COMMUNITY HEALTH)

## Duration of study

Mode of Study :

Full Time : 2 - 3 Years [ 4 - 6 Semester ]

Part Time : 2 - 4 Years [ 4 - 8 Semester ]

Type of Study : Research Mode

## Entry Requirement

- Bachelor's degree with a good Cumulative Grade Point Average (CGPA) from a University or any higher learning institution recognised by the Malaysian Qualifications Agency (MQA) and/or having accreditation by a recognized Foreign Accreditation Body; or
- Degree in Medicine or Dentistry from the University or any higher learning institution or an equivalent degree from any other higher learning institution recognized by the Senate; or
- Other qualifications recognized by the Senate obtained through Accreditation of Prior Experiential Learning (APEL); or
- Fulfills other requirements prescribed by the department admission policy and the UKM admission policy which can be found in the UKM Regulations (Graduate Studies) 2021.
- Meet the requirements of the Malaysian Qualifications Agency (MQA).

## English Requirement (International Student Only)

- Obtaining a score of at least 550 for the Test of English as a Foreign Language (TOEFL) or at least 6.0 for the International English Language Testing System (IELTS) or a corresponding score for any examination which has been aligned to The Common European Framework of Reference (CEFR)\*; or
- For international candidates who have academic qualifications obtained from any local university recognized by the Senate, such student may be exempted from the conditions set out in 2 (a). However, the candidate shall sit for the Cambridge English Placement Test (CEPT) and if the student fails to obtain the level determined by the programme (IEP5), the candidate is required to attend and pass the Intensive English Programme (IEP). The IEP is an intensive course that gives students the opportunity to improve their English proficiency in a more efficient and effective way.
- The Faculty may grant exemptions to the English Language proficiency requirement for international candidates from countries where English is the official language or candidates who are using academic qualifications from institutions of higher learning that use English as the medium of instruction entirely or have obtained an advanced degree from any faculty or institute in UKM, subject to the approval of the Graduate Studies Committee of the Faculty or

## FEE

LOCAL STUDENT	
1 <sup>st</sup> semester	RM4,009.00
Subsequent semester	RM 2,999.00

INTERNATIONAL STUDENT	
1 <sup>st</sup> semester	RM11,735.00
Subsequent semester	RM10,325.00

## Program Structure

Students enrolled in research mode will spend most of their time on research activities. All students are required to complete the 'Research Methodology' course in the beginning of the study. The Bahasa Melayu language course is compulsory for all international students.

## Supervision

Students will be supervised by the faculty members for their research component. For research mode, applicants are required to approach and seek potential supervisor with matched research interest before applying for the study. Information regarding potential supervisors can be found at the faculty's Secretariat of Research and Innovation website (<http://www.ukm.my/spifer/>) or the respective departmental website.

## Career Prospects

Diverse career opportunities are available in academia, research, industry, government and many other areas.
