

UKM SUSTAINABILITY POLICY 2030

As a leading university with a global mission and vision, UKM is ready to shoulder the responsibility towards creating a more sustainable future. Therefore, UKM embraces the Sustainable Development Goals (SDGs) agenda formulated by the United Nations (UN) as a universal roadmap for the advancement of the university and all its citizens, which comprising staff and students, and is committed to integrating SDG principles into every activity and core process of university life.

With unwavering determination and spirit of cooperation, UKM implements the following commitments, as a testament to our dedication to each of the 17 SDGs:

 <p>1 NO POVERTY</p>	<p>UKM ensures access to basic life resources, livelihoods, and social support is provided to its citizens regardless of race, religion, or gender.</p>	 <p>10 REDUCED INEQUALITIES</p>	<p>UKM embraces diversity, supports justice, and collaborates to bridge societal gaps, empowering communities where all citizens can thrive.</p>
 <p>2 ZERO HUNGER</p>	<p>UKM ensures food security for its citizens through the implementation of intervention programs to reduce hunger rates among its citizens, promote sustainable agriculture on campus, and encourage healthy eating practices.</p>	 <p>11 SUSTAINABLE CITIES AND COMMUNITIES</p>	<p>UKM leverages its campuses to serve as models for sustainable urban planning, through effective waste management and green infrastructure development.</p>
 <p>3 GOOD HEALTH AND WELL-BEING</p>	<p>UKM prioritizes mental and physical well-being by offering accessible services, promoting healthy lifestyle opportunities, and conducting awareness programs on public health to its citizens.</p>	 <p>12 RESPONSIBLE CONSUMPTION AND PRODUCTION</p>	<p>UKM is committed to addressing SDG 12 challenges through responsible procurement policies, promoting resource efficiency in energy and water usage, and educating the community on sustainable practices.</p>
 <p>4 QUALITY EDUCATION</p>	<p>UKM integrates sustainability principles into the curriculum and offers specialized courses and workshops on SDGs, as well as providing educational programs in various SDG fields for everyone, including non-UKM citizens.</p>	 <p>13 CLIMATE ACTION</p>	<p>UKM is committed to realizing the Zero Carbon Campus 2050 by efforts to reduce greenhouse gas emissions, adaptation strategies, and climate research for a sustainable university future.</p>
 <p>5 GENDER EQUALITY</p>	<p>UKM promotes equality within the university organization from policies to research, and empowers women through education and community outreach programs.</p>	 <p>14 LIFE BELOW WATER</p>	<p>UKM endeavours to protect underwater biodiversity by promoting sustainable underwater life conservation to the university community, supporting marine conservation research, and advocating for policy changes.</p>
 <p>6 CLEAN WATER AND SANITATION</p>	<p>UKM strives to enhance water conservation initiatives, improve wastewater treatment, and conduct water management studies to protect water resources.</p>	 <p>15 LIFE ON LAND</p>	<p>UKM ensures the well-being of natural ecosystems by conserving and restoring campus ecosystems, raising awareness about the importance of biodiversity, and conducting ecological research.</p>
 <p>7 AFFORDABLE AND CLEAN ENERGY</p>	<p>UKM is committed to achieving 100% renewable energy use by 2050, through transitioning to renewable energy, implementing energy efficiency measures, and researching future technologies.</p>	 <p>16 PEACE, JUSTICE AND STRONG INSTITUTIONS</p>	<p>UKM fosters security, advocates for human rights, and strengthens university governance as the foundation for justice and equality in managing university activities and core processes.</p>
 <p>8 DECENT WORK AND ECONOMIC GROWTH</p>	<p>UKM enhances employment opportunities and practices safe and healthy protocols to create a conducive work environment.</p>	 <p>17 PARTNERSHIPS FOR THE GOALS</p>	<p>UKM collectively accelerates progress towards a sustainable future for all through collaboration with various partners, knowledge sharing, and engagement in joint research.</p>
 <p>9 INDUSTRY, INNOVATION AND INFRASTRUCTURE</p>	<p>UKM is committed to advancing the university through sustainable infrastructure development, cutting-edge research innovation, and partnerships with industry leaders.</p>
