

POSTGRADUATES STUDIES

DEPARTMENT OF BIOCHEMISTRY,
FACULTY OF MEDICINE,
UNIVERSITI KEBANGSAAN
MALAYSIA
(UKM)

FAKULTI PERUBATAN
UNIVERSITI KEBANGSAAN
MALAYSIA

DEPARTMENT'S STRENGTH

The department is well equipped for medical research of international standard and works closely with other preclinical departments and the clinical counter parts at the UKM as well as other local and international universities.

POSTGRADUATE PROGRAMS

Department of Biochemistry is one of the leading research teams in Faculty of Medicine, Universiti Kebangsaan Malaysia (UKM). It is located in the Preclinical Building, level 11 and 17 in Hospital Canselor Tuanku Muhriz (HCTM). We offer three different courses :

RESEARCH PROGRAMS

DOCTOR OF PHILOSOPHY

DURATION	3 years (Full-time); 4 years (Part-time)	
INTAKE	Throughout the year	
FEES	Malaysian students:	International students:
	RM 5,134 (1 st Semester) RM 4,124 (Subsequent Semester)	RM 12,470 (1 st Semester) RM 10,760 (Subsequent Semester)

MASTER OF MEDICAL SCIENCES (BIOCHEMISTRY)

DURATION	2 years (Full-time); 3 years (Part-time)	
INTAKE	Throughout the year	
FEES	Malaysian students:	International students:
	RM 4,009 (1 st Semester) RM 2,999 (Subsequent Semester)	RM 11,735 (1 st Semester) RM 10,325 (Subsequent Semester)

MIXED MODE PROGRAMS

MASTER OF MEDICAL SCIENCES (BIOCHEMISTRY)

DURATION	2 years (Full-time)	
INTAKE	September	
FEES	Malaysian students:	International students:
	RM 5,340 (1 st Semester) RM 4,330 (Subsequent Semester)	RM 13,785 (1 st Semester) RM 12,375 (Subsequent Semester)

JABATAN BIOKIMIA
FAKULTI PERUBATAN
UNIVERSITI KEBANGSAAN MALAYSIA

AREA OF INTEREST

Research focus is in Ageing Science which encompass the following studies:

- Health span
- Cellular senescence
- Oxidative status
- Neuroscience
- Metabolomics, proteomics & lipidomics
- Wound healing
- Molecular bone biology & pathology
- Mitochondria function
