

RED ALERT CARD

FOR STUDENTS FROM COUNTRIES AFFECTED BY NOVEL CORONAVIRUS (nCoV)

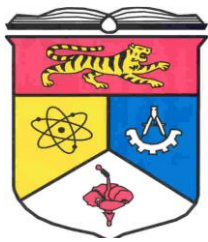

Keep this card for the **next 14 days** upon your arrival to Malaysia. Monitor your health status and seek **medical attention immediately** by reporting to the **University Health Centre** for assessment if you have any symptoms as below.

High fever – cough – breathlessness – rapid breathing - runny nose – extreme tiredness.

Please maintain good personal hygiene such as frequent hand washing with soap and water or use hand sanitizer regularly. Kindly limit your contact with healthy individuals around you.

DEAR ATTENDING DOCTORS.

The person who is presenting this ALERT CARD to you had recently travelled or returned from Wuhan, China, or other affected countries with active transmissions (within the past 14 days). If the person presents with fever (> 38 C), pneumonia or severe respiratory infections with breathlessness, please refer him or her IMMEDIATELY to the nearest hospital.
