THE NATIONAL UNIVERSITY OF MALAYSIA

Dear Students,

COVID-19: IMPLEMENTATION OF ONLINE TEACHING AND LEARNING ACTIVITY

The above subject and Registrar's Memo No. 8/2020 dated 13 March 2020 are referred.

2. The university is concern with the status of the COVID-19 outbreak based on a report from the Ministry of Health Malaysia (MOH) which shows an increase in infection cases across the country. In this regard, as a precautionary measure to ensure the health and safety of UKM's students, UKM will be taking the following steps:

- i. All Teaching and Learning activities at the Faculty/Institutes/Centres will be fully conducted online starting 16 March 2020 until further notice;
- ii. All practical training and outdoor activities will be postponed;
- iii. Students are allowed to participate in the online Teaching and Learning activities from home or their respective residential colleges;
- iv. All postgraduate students are still allowed to utilize the research labs (if applicable).

3. In response to the university's call to conduct online Teaching and Learning due to safety reasons, PKP will also take the same initiative to shift all Teaching and Learning activities online. Therefore, we hope that all parties that are involved will be able to follow the steps for prevention.

We thank you for your attention and cooperation. Let us pray that the outbreak will soon subside.

Regards,
